Tualatin Valley Creates (TVC) is excited to announce the official launch of its new ArtPass Membership Program! The ArtPass offers special deals to Washington County businesses such as art supply retailers, coffee shops, restaurants, theaters, and community organizations. These are located throughout Washington County's cities of Aloha, Banks, Beaverton, Bethany, Cedar Mill, Cornelius, Durham, Forest Grove, Gaston, Hillsboro, King City, North Plains, Sherwood, Tigard and Tualatin. For a complete list of partnering businesses visit www.tvcreates.org/artpass-directory.

Anyone can join! A yearly membership costs \$25. You can sign up at www.tvcreates.org/artpass.

TVC created the ArtPass Membership Program as a way to engage and connect consumers to local businesses across the county's 16 cities and unincorporated areas. As the state slowly continues to re-open after being shut down for over a year, revitalizing the arts and entertainment industry is more important than ever. TVC's goal is to help in this effort while creating an intentional community connected to its 20-year strong organization.

Members are able to engage in conversation with each other on the TVC website by commenting on their experiences at participating ArtPass businesses and through other membership opportunities.

Funds are used for TVC's operational costs to keep Washington County's creative community informed, engaged, and growing.
